Dear Patron,

In May, 2011, the Landis Theater Foundation joyously celebrates the first anniversary of the Landis Theater. This 700 seat performing arts center has become a beacon of hope for the future of Vineland and Cumberland County. It is where the community activities, events and entertainment draw people together to create new legacy within its historic walls. It is a haven for the arts in our own backyard.

The Landis Theater is operated by the Landis Theater Foundation, whose mission is to preserve, manage and program the Landis Theater and to ensure its continued use as a cultural and architectural resource to the benefit of all who visit. During the 2010-2011 Season, the Landis Theater attracted a wide spectrum of audience members through the booking and presentation of shows representing various demographic audiences and genres— Latin, African American, Rock and Country music offerings; comedies; oldies; movie nights; children's workshops and productions; as well as four in-house family musicals. It is with pride that we declare this inaugural season a success!

The Landis Theater Foundation is comprised of local business persons and community advocates who approach the Foundation's mission with passion. Today, we are asking you to feel this passion, join our efforts and make a donation to the Landis Theater Foundation 2011 Capital Campaign. Your support will help the Foundation continue to be a vital force in the cultural and economic growth of Vineland and Cumberland County, as well as the surrounding areas. Your financial commitment will assist us in making for an even better 2011-2012 Season.

Incredible things happen at the Landis!

Sincerely,

Robert Odorizzi, Chair
Capital Campaign Committee

Lori DiMatteo-Fiocchi, President
